QASEM SAMI ALBINAHMED

Software Engineer – Full Stack Developer

+966-5-313-717-28   qsm120@gmail.com   Eastern, Saudi Arabia   linkedin.com/in/Qasem-Albinahmed

Objective

Interested in a role as a software engineer where I can utilize my knowledge and skills and work with ambitious individuals to build high quality software.

EXPERIENCE

08/2021 – 11/2021	**Full Stack Python Development Bootcamp, Saudi Arabia Ministry of Communications and Information**
	Completed 400 hours in 10 weeks period of hands-on experience on various programming languages and frameworks.
10/2021 – 10/2021	**React Component Generator, Personal Project**
	Developed JavaScript module to auto-generate React.js component files.
09/2021 – 09/2021	**Directory Creator App, Personal Project**
	Developed a windows-based application to create unlimited number of folders.
08/2021 – 09/2021	**Portfolio Manager, Personal Project**
	Designed and implemented a personal portfolio manager application that let me manage my portfolio.
06/2019 – 07/2019	**Resort Reservation Manager, Personal Project**
	Built an excel-based mini application for a relative to help him manage his resort reservations business.
07/2018 – 11/2018	**Quotation Requests System, Truos Factory, Dammam**
	Worked as a fulltime stack developer to build a system for small business that replaced paper-based business process to create quotations for clients, to computer-based system.

EDUCATION
