Notes

Qualifying periods

A Pass must be obtained in all units within a two-year period in order to qualify for the NEBOSH Award in Health and Safety at Work.

Referreds will be granted in individual units where candidates have failed to reach a satisfactory standard. If you have been referred in an individual unit (<60% for Unit HSW1 or HSW2) you may re-sit just the unit in which you have been referred providing that you re-sit within two years of the result declaration date of the first successful unit. Many of our course providers offer local examinations on a date chosen by them and also accept external re-sit candidates. If you are interested in this service please contact customer services on 0116 263 4700, info@nebosh.org.uk or http://www.nebosh.org.uk/Study/Find_an_Exam/

Awarding and grading criteria

Grading criteria shall not apply to individual units or the overall result.

Special considerations

If you have submitted a request for special consideration and this has been acknowledged by NEBOSH, then this will have been considered prior to your result being confirmed.

Enquiries about results

If you have received a result that is at variance with your reasonable expectations, you should discuss this first with your tutor. The NEBOSH 'Enquiries About Results (EARs) and Appeals policy and procedures' is available in the 'About NEBOSH' section of the NEBOSH website (www.nebosh.org.uk).

If, following discussion with your tutor, you wish to make an 'enquiry about result' (EAR), this must be submitted on the 'Enquiry About Result (EAR) request form', which is available with the Enquiries policy, within 20 working days of the confirmed date of the unit to which it relates. The form should be posted to the address shown, together with payment of the appropriate fee. The EAR process cannot be started until the fee is received and the form will, therefore, be returned to you if payment is not included. NEBOSH does not issue invoices for EAR fees. NEBOSH multiple choice examinations (e.g. Unit HSW1 Workplace health and safety foundations) are marked using an automated scanning system. Candidates and accredited course providers should note that for this reason only Multiple Choice Question Paper (MCQP) EARs are available for units assessed by a multiple choice examination. An MCQP EAR will involve the candidate's answer sheet being manually re-marked. The fee for MCQP EARs is £20 per unit. For Unit HSW2, there are two types of enquiry available. A Type 1 enquiry (£15 per unit) is for a clerical check on the correct addition and processing of marks; a Type 2 enquiry (£75 per unit) includes a clerical check (as Type 1), a re-mark of the script and a summary report relating to overall performance. NEBOSH will normally provide written notification of the EAR outcome within 40 working days of the closing date for receipt of enquiries. Requests for special consideration that have not been submitted previously cannot be accepted as part of the enquiry procedures. Please note that NEBOSH employs detailed and thorough assessment procedures before results are declared such that few enquiries are likely to justify a change of result.

Important Note

Submission of a Type 1, Type 2 or MCQP EAR does not guarantee that a mark (or grade) will be adjusted upwards after review. It is also important to note that a mark (or grade) may also be adjusted downwards following an EAR review.

Student name

Your name (as shown overleaf) will appear on your final qualification parchment, (names exceeding 60 characters may appear over two or more lines). If your name is shown incorrectly you must advise us in writing within 10 working days of the confirmed date of the latest unit on this letter, enclosing a copy of supporting identification e.g. current passport, driving license or national identity card. Requests received after 10 working days will incur a charge for the re-issue of certification. NEBOSH will make every effort to accommodate your request but please note that due to regulatory requirements this may not always be possible.
