EDUCATION

BS . Electrical Power and Machines from Helwan University (2003 - 2008)

Membership

- Member at Saudi Council of Engineers.
- Member at Egyptian Engineers Syndicate.
- Member at National Council of Examiners for Engineering and Surveying.

Certificates

- Control by contactors from Salesian Institute "DONBOSCO" (2011) .
- Fundamentals of Electrical and computer Engineering "NCEES" (2019) .

SKILLS

- Complex problem solving skills.
- Persuasion skills to effectively communicate my side of a disagreement.
- Troubleshooting skills.
- Ability to manage personnel resources to figure out where an individual's talents can be best utilized.
- Good knowledge of control and remote monitoring systems.
- Ability to prepare electrical plans using the AutoCAD program.
- Ability to deal with various types of electrical and electronic devices and to identify malfunctions.
- Team Leader.
- Fast learner.
- Can work under pressure while maintaining high level of energy adaptation.
- Good personality and communicating work with groups.
- Excellent Command of Computer.
- Saudi Driving License.
