Nationality : Bangladeshi

Objective

Having worked as a safety officer in various organizations, I can offer my knowledge of workplace health and safety to help your organization improve profitability. I look for challenging opportunities where I can fully utilize my skills for the success of the organization. Looking for opportunity to utilize my long experience to work in various sectors including safety sector. I would like to use my educational qualifications including OSHA 30 Hours and IOSH-MS to get an entry-level safety officer position in a reputable organization. I am an experienced team manager. Looking for employment to utilize my experience in the Workplace Health and Safety Sector I bring more than 5 years of experience in the Health and Safety Sector industry.
