PERSONAL SUMMARY

I am a hardworking and ambitious individual with a great passion to new challenges that I can use my knowledge and experience to solve. I graduated with a bachelor degree of science in Mechanical Engineering from Colorado State University. I have excellent communication skills, enabling me to effectively communicate with a wide range of people.

EDUCATION

• Bachelor of Science in Mechanical Engineering

Colorado State University | From 2017 to 2021

- GPA 3.1/4

Worked on three projects (Clock, scribe, and trivet with a letter carved on it) using CNC, lathe, and drill machines

• College Preparatory Program

Saudi Aramco | From 2014 to 2015

CERTIFICATES

• IELTS 6.5 (2015)

• Academic English Program certificate (2016)

SKILLS

• Computer programming language (Matlab)

• Engineering simulation programs (ANSYS, Workbench)

• CAD Design Software (SolidWorks)

• Proficient in using CNC, lathe, and drill machines

• Microsoft Office Programs (Excel, Word, PowerPoint)

• Strong communication skills

• Proactive team player

• Superior attention to detail

• Hard worker and quick learner

• Results-orientated
