

ALI AHMED ALSULAIMAN

11B. Alkawthar, Sihat, Saudi Arabia | +966590022774 | Ali.Alsulaiman92@gmail.com

Objective

A Mechanical Engineer with Strong experience in project management. Versed in efficiency and discipline. Desires occupational development and a challenging environment to better utilize my skill set.

Education

JUBAIL UNIVERSITY COLLEGE

MAY 7, 2011 - JUN 2, 2016

- Bachelor's Degree of Science in Mechanical Engineering.
- GPA: 3.06 out of 4 (**Third Honor**).

Experience

HKSS CONSTRUCTION CO. | MECHANICAL PROJECT ENGINEER

NOV 27, 2020 – Present - [Upgrade Fire water System – CLIENT: SAUDI ARAMCO]

- Review 60% & 90% design drawings including material specifications to issue the IFC.
- Prepare Constructability plan to track the construction progress.
- Prepare QTY list of materials and equipment's [Pumps, Pipes, Fire hydrant and PIV's]
- Close the engineering comments of piping design.
- Check out the material quantities to issue the PO's .

ARKAD ENGINEERING & CONSTRUCTION | MECHANICAL PROJECT ENGINEER

NOV 1, 2016 – MAR 8, 2020 - [OMPP – CLIENT: SAUDI ARAMCO]

- Review engineering detail design drawings of pipelines section.
- Prepare the final revision of CRPO's to submit to Saudi Aramco for final invoices.
- Solve technical issues such as hydro test and pipe wall thickness calculations.
- Prepare and Submit [Fabrication Workpack, Walkthrough, Redlines, as built & DCC] packages.
- Prepare and Submit the MRS to reflect the materials that needed to construct the pipelines.
- Using ERP system to request MR list.
- Finalize the punch list (No items).

Training & Projects

MECHANICAL ENGINEER (TRAINEE) | SAUDI ARAMCO

FEB 2, 2016 – MAY 2, 2016 | COOP

SENIOR DESIGN PROJECT

DESIGN AND FABRICATION OF A PNEUMATIC CAN CRUSHER | 2ND SEMESTER OF UNIVERSITY, 2016

Memberships & Certificates

- Certificate of attending Lean 6 sigma online course from Saudi Council of Engineers on May 2020.
- Certificate of completing PMP Training Course from Saudi Council of Engineers on October 2019 & member of Project Management Institute from Jun 2020 – Jun 2021.
[Member ID: 6220758]
- Certificate of completing Pumping & Motor Theory from Saudi Council of Engineers on March 2019.
- Certificate of completing Field supervision of projects course from Institute of Public Administration – IPA on September 20, 2018.
- Engineering accreditation from Saudi Council of Engineers as Mechanical Engineer on October 2016.
[Member ID: 303846]

Skills & Software's

- | | |
|--------------------------|--------------------|
| -Locational flexibility. | -Team player. |
| -Pressure handling. | -Well organized. |
| -AutoCad. | -Microsoft Office. |
| -ERP System. | -Fast learner. |
