#### PROFESSIONAL SUMMARY

I am a highly motivated Agricultural Engineer. I have a solid background with 10 years of experience in agricultural machines and equipment, Waste Incinerators, repair and maintenance, Agri-project supervision and agricultural management. My strength includes supply Chain management, inventory, negotiation skills, planning and good skills in service attachments and working tools.

### WORK HISTORY

SALES & SERVICE ENGINEER 01/2010 - Current

NAJD EST for AGRICULTURAL & TRADE, Riyadh, Saudi Arabia, Saudi Arabia

- Authorized dealer for agricultural machine and forage solutions such as AGCO, Lely International, JF-STOLL, KRONE AND GALUCHO.
- Drove continuous sales growth of machinery within Agricultural through direct sales.
- Central region sales manager and replaceable branches supervisor.
- Manage all sales orders, presentations, follow-up, field installation and machines warranty schedules.
- Arrange company forecast with our supplier.
- Assess client's needs and resources in farm to gain the appropriate services.
- Provide technical first- operating assistance for machines and organize maintenance schedules.
- Responsible for international sales packages and target quotas annually.
- Operated heavy equipment such as Balers, Mowers, Cultivators Plows and harvesting.

FARM MANAGER 04/2009 - 07/2009

📓 AL-ZAIDIAH FARM, Al-Ghat, Saudi Arabia

- Purchased supplies such as seed, pesticides and fertilizer.
- Hired, trained, and supervised seasonal workers engaged in seeding for tilling and planting.

- Planning finances and production to maintain farm progress against budget parameter.
- Responsible for both the operating and the Maintenance of the farm.
- Responsible for administrative aspects including accounting, budgeting, and decision maker for selection machines.
- Maximized operational profits by closely inspecting crops, assessing quality and identifying problems such as disease or insects.

# PACKING WORKER 09/2009 - 11/2009

# AL-FAKHERA DATES FACTORY, Al-Ghat, Saudi Arbia, Saudi Arabia

• Scanned and sorted Dates to tight production deadlines for continued packaging progression.
