LANGUAGES

English

Arabic

VOLUNTEER EXPERIENCE

Volunteering activities KFUPM

Tasks/Achievements

- Worked as a volunteer for 20 hours

PROGRAMMING AND DESIGNING SKILLS

MATLAB

Arduino

PsPise

C++

Labview

EDUCATION

BS in Electrical Engineering

King Fahd University of Petroleum and Minerals

07/2013 – 12/2018

GPA 2.84 out of 4

Main Courses

- Power system
- Communication system
- Electronics
- Control system

Elective Courses

- Power System Protection
- Communication Engineering II
- Industrial Electronics

WORK EXPERIENCE

Preventing Maintenance HALLIBURTON

06/2018 – 08/2018

Achievements/Tasks

- Worked for 8 weeks as a summer trainee.

PROJECTS

Stopwatch

- Done individually in EE200 course.

Programmed a Robot

- In a team work.

Filter Design

- Done individually in EE207 course.

Solar Charger

- Done individually in EE445 course.

SKILLS

Time Management

Handling Pressure

Critical Thinking

Communication

The OSHA 30 H – General Industry - HRP Center- Tv.Tc - KSA

REFERENCE

Dr. Alaa El-Din Hussein

“Professor at King Fahd University of Petroleum and Minerals”
