ONE **WORLD** ONE **ZONE**

About Us

WORLD ZONE LOGISTICS and SHIPPING SERVICES is operating its own offices in UAE, Oman, Qatar and India, with highly interconnected and efficient agency network handling cargo to and from all over the world to India and Middle East.

Worldzone is led by industry experts who are in the field of logistics for 2 decades with steadfast commitments towards excellence and we pride ourselves to be a company with passionate employees, where passion meets perfection at work.

We make a difference to our clients in the way logistic services are rendered by providing highly efficient service, competitive rates and handling shipment with utmost care.

World zone has a wide range of services & tailor made solutions for all types of logistics requirements. We guarantee fast & secure management with complete control & up to date information of cargo movements.

VISION

Logistics Personalized

To operate in a zone providing personalized logistic experience to our clients along delivering the cargo in a competitive, timely and required manner irrespective of their size by transforming the way logistic services is delivered.

MISSION

To create, nurture & sustain an integrated network of customers, suppliers and logistic providers globally to anticipate and satisfy our customer needs. We strive to be an organization where it will be a win-win for all over stake holders in their scope and scale in dealing with our organization.

SERVICES

- Ocean Freight / FCL and LCL Shipments
- Air Freight Forwarding
- Custom Clearance and Transport
- Documentation Services
- Inland - Overland Haulage
- Consolidation and Groupage
- Break Bulk and Project Shipments
- Supply Chain Management

**The world has
24 time zones
and we operate
in one as..
One World, One Zone.**

Ocean Freight/ FCL & LCL shipments: From purchase order to warehouse delivery, we handle all of the details such as negotiating rates with ocean carriers, booking shipments & preparing, import & export documentation, keeping updated with cargo movements and track cargo to the destination, checking for its safe and timely arrival. Selection of Shipping lines according to best transit time, consolidation options, container specifications & packaging requirements are additional areas of assistance.

Air Freight Forwarding: Highly efficient network for all Air Freight Forwarding needs, with a wide range of time defined & specialist air cargo services, supported by the preferred carriers & flexibility between standardized connections with fixed schedules for cargo movement all over the world. We assist you in evaluating freight size & budget, to decide on the most appropriate movement of the cargo.

Custom Clearance and Transport: Speedy Customs clearance & delivery with utmost attention to improving customer service. We act as a consultant & execute customs clearance to our customers, sharing our area of expertise to ensure their business is not unduly affected by the final step in the logistics chain.

Documentation Services: It is important to ensure all documents are in order before import or export shipment is enroute or arrives at its destination to avoid incurring delays or fines. We provide assistance with any kind of commercial document preparations.

Inland- Overland Haulage/ Consolidations & Groupage:

Total inland freight distribution services in partnership with a reliable fleet of sub-contractors, according to customer requirement/s. Road transport is the most convenient method of delivery to their destination for GCC & inland India with minimum intermediate handling & we serve this requirement as we arrange FTL's & LTL's as required. We provide group age & consolidation services for all import & export cargo from all parts of the world to GCC& India.

Break Bulk and Project Shipments:

Break bulk for oversized loads which need special equipment or those unsuitable for container loading. We move such cargo by understanding logistics needs, analyzing cargo sizes, shapes, intricacies, deciding & planning of complete project & executing it.

Supply Chain Management

Our experience in handling air freight & ocean freight with the global coverage, integrated transport network & warehousing options provides an excellent foundation to provide Supply Chain Management solutions. We can help define, recommend & set realistic supply chain strategies based on your organizations operations, resources & other capabilities. We guarantee absolute security of merchandise which is constantly monitored in real time thanks to the information network, allowing the client to see where the cargo real time.

ASSOCIATES

Time and again the power association can be felt, where our client can reap the benefits of world zone professionalism at countless points. We thrive to explore and develop new business opportunities globally by using collective resources for integrated services, we take pride in being associated with some of the big names in our industry.

Values

- Honesty and Transparency.
- Value for Money.
- Mutual Respect.
