Skills

</> Technical Skills

- Data Analysis
- Data Visualization
- Machine Learning
- Tableau
- Power BI
- Anaconda
- MongoDB
- Trello
- Microsoft Office
- Adobe Photoshoph
- Adobe Illustrator
- Adobe Premiere
- Programming Languages :
 - Python - HTML
 - R - CSS
 - JavaScript - PHP
 - MySQL - ASP.Net

Soft Skills

- Team Work
- Work Under Pressure
- Flexible
- Adaptability
- Punctual
- Communication
- Problem Solving
- Collaboration
- Self Learning

Language

- Arabic (Native)
- English (Fluent)

Reference

- To be provided upon request

Education

01 - 2015 **Bachelor of Science in Computer Science**

01 - 2021 **King Faisal University**

GPA 4.18 / 5.00

Work Experiences

03 - 2021 **Data Science Bootcamp Trainee**

07 - 2021 **Saudi Digital Academy**

- Learning how to read, clean, analyze, and visualize the data.
- Learning many programming languages such as Python and R.
- Learning many technical tools such as Tableau and MongoDB.
- Learning machine learning and how to predict future value.

05 - 2020 **CO-OP Training**

08 - 2020 **Enseyab Information Technology Company**

- Working as a web developer.
- Working in developing projects using Asp.net, CSS, MySQL.

01 - 2017 **Part-Time Work**

01 - 2018 **Guidance and Community Awareness Organization**

- Participating in preparing the operating plan and achieving goals for the media department.
- Working on organizing and conducting activities in the media department.
- Working in designing, photography, and video production fields.

Volunteering

2021 **Iqonah Group as Graphic Designer**

- Participating in designing UI/UX for the website.
- Participating as designer and videos editor for the group events.

2020 **Member of The Entrepreneurship Club for Students at KFU**

- Founding Member.

2018 - 2019 **Volunteered at Hajj Season with Scouts of KFU**

- Leader of the Media Committee for KFU Scouts.

2017 - 2019 **Member of The Student Club at College of Computer Science and Information Technology**

- Founding Member.
- Preparing more than 20 activities in less than 2 years.

2014 - 2017 **Member of Ghiras Group**

- Leader of the Media Committee.
- Working in designing, photography, and video production fields.

Courses

2021 • Introduction to Pandas in Python.

2021 • Introduction to Data Visualization in Python.

2020 • Introduction to SQL.

2020 • Entrepreneurship Virtual Camp organized by Small and Medium Enterprises General Authority.

Projects

2021 **Data Science Bootcamp Project**

- Used Car Price Prediction by using machine learning.

2020 **Graduation Project**

- Convolutional Neural Network Based Weed Detector and Sweeper Robot.

2018 **Other Project**

- Map Searching in Web Based System by using HTML, CSS,JS and PHP.
