Career objective

I 'am a hard worker seeking opportunity in further developing my career in pharmacy. I have worked in various high-pressure pharmacies and thus have learnt to work efficiently, problem solve

and provide quality advice using my knowledge of OTC and prescription only medication gained from completing a pharmacy bachelor degree as well as active knowledge developed from 4 years of employment. I've often been told that I have excellent communication skills, up kept etiquette and polite, cheerful behaviour, which may assist with staff and customer efficiency and comfort.
