

Maryam Al Khamis

Programmer

I am highly enthusiastic and passionate about what I do to the point that I don't leave the job until I get it done to the most optimum level. Open-minded to get out of norms and comfort zone to innovate. Smart performer where I achieve my tasks precisely and concisely. An engaging team player who would push the team forwards with insightful thoughts and high chemistry. Seeking to acquire more knowledge and experience. Bachelor's degree in computer science.
