Eastern Province, KSA - +966543332701

[Noor.Almatouq@Gmail.com](mailto:Noor.Almatouq@Gmail.com)

SCE ID: 733662

My main goal is to obtain a challenging position that allows me to utilize my skills and educational background while improving my knowledge in the engineering field.

## Experience

### GRADUATE ENGINEER, Jan-Mar 2019

WEIR ARABIAN METAL CO.

#### Project Engineer

- Determines project schedule.
- Organize project work orders by collecting, analyzing, and summarizing information and trends.

### TRAINEE, FLUOR ARABIA LTD. Mar-Dec 2019

#### PIPING ENGINEER

- Piping Phase I, Phase II, and Phase III training.
- layout requirements for Pipe Rack, Heat Exchangers, Vessels, Pumps and compressors.
- Able to read PFD, P&ID and Vendor Drawings

#### PROCESS ENGINEER

- Flow diagrams (BFDs & PFDs)
- Piping & instrumentation diagram (P&ID)
- Equipment Specifications

### Quality Assurance Engineer

IMS Management representative Feb – present 2021

Termomeccanica Saudi Co. Ltd.

- Review, revise, and implement ISO:9001, ISO:45001.
- Control day-to-day operations; internal auditing, meetings, training, updating documents and records for all aspects of the systems.
- Ensure commitment to the overall QHSE systems

## PROFESIONAL DEVOLPMENT

- Attended Project Manager Professional (PMP) through *HRP training center*, 2018.
- Completed Flash Distillation in Chemical & Process Engineering course through *Udemy*.
- AIChE's Leading a Group Through Strategic Planning
- Completed Petroleum Refining - Complete Guide to Products & Processes Chemical Engineering course through *Udemy*.
- ISO 9001:2015 Internal Audit Training

## Education

TRANSFERRING 2013-2015

**BACHELOR OF SCIENCE,**  
UNIVERSITY OF MICHIGAN-FLINT, USA

2015-2018

**BACHELOR OF CHEMICAL ENGINEER,**  
MICHIGAN STATE UNIVERSITY, USA

GPA: 3.05/4.0

**Senior Project design by (AIChE):**

Design Plant and analyze the cost to produce Dimethyl Ether (DME) from Methanol

## Skills

- Critical thinking to solve problems with attention to details.
- Teamwork and leadership.
- Adaptability and always have a desire to learn.
- Computer Skills: Microsoft Office, ASPEN PLUS, MATLAB, autoCAD, SP3D, POLYMATH.
