### **Personal Details**

**Name** : **Ezaldeen Beshara Bashar Adam**  
**Nationality** : **Sudanese**  
**Date of Birth** : **01/01/1989**  
**Language** : **Arabic Excellent – (Mother tongue)**  
**English (Good)**  
**Marital Status** : **Single**  
**title** : **asir area khamis mushat**  
**aqama number** : **2502535624**  
**expire date** : **14/5/1444**

status aqama : عامل عادي

### **Career objective:**

Supervising, managing and following up on work, teamwork and leadership, making effort and self-development to gain experience

### **Education**

2011 Three years Diploma (in petroleum Engineering)  
2014 BSc in Petroleum Engineering  
Sudan University of Science and Technology - Sudan

### **Training & Courses:**

**2008 to 2014**

**Sudan University of Science and Technology**

- **Exploration engineering**
- **Drilling**
- **Reservoir**
- Production**
- **Refining**

## **Work Experience:**

- Good Experience in field job (trainee):
  - **Greater Nile Petroleum Operating Company (GNPOC)**
  - CPF, FPF,
  - Service drilling.
  - Seismic General Briefing
  - Drilling Rig
  - artificial lift (ESP)
  - survey operation
  - International Computer Driving License
  - ECDL / ICDL Certification
  - Occupational Safety and Health Authority(CNPC BGP ) · Charisma
  - Workforce Development
  - Petroleum Development Department Training
  - WPR work permits receiver in bashair port in Sudan hot&cold work 2013
  - **summarize experience**
  - **WPR Work in Bashayer Petroleum Port, Sudan, Station 2**
- Supervision and follow-up of daily work and extraction of work reports: cold and hot work
- \*Cleanliness of decision tanks
- ,
- #**safety officer** security and security at the petroleum origin and the Sudanese National Service A safe and safe year experience for an oil exploration company **BGP 2015**
- # **A surveyor's** experience in oil exploration 6 months such as surveyor work and GPS totalstation & gis accounts **BGP 2015**

## **trainee and course**

A course in field surveying for **BGP Sudan** 6 months A course in security and safety for **BGP Sudan Jaili Petroleum Refinery Khartoum Petroleum Refinery KRC** 6 months

## **Project research:**

- Reservoir Stimulation (Acidizing) to get Deploma degree ·2011 Evaluation of the effect of mesquite wood powder on cement micro-crack drilling (cement) to get Bsc 2014
  - cycle steam stimulation USING SURFACTANT by C M G in FNE to get Master degree
- 2020**

### **Skills:**

- Computer Apps
- **Technical**
- Operating System : Microsoft Windows.
- General : Microsoft Office Tools.
- Adobe Photoshop
- Pro engineering (cad/cam design and programming)
- Auto cad (mechanical and civil 2D &3D)
- C &C++ languages

### **Program in Petroleum Engineering**

- · Mat lab
- · Surfer & Grapher
- · CMG
- · Pipe sum
- · Land mark
- · gis

### **In Progress & Preparation:**

- Master in Reservoir engineer
- · driving liesnse
