

# Ali Hassan Alsabah

## Info

### Address

Eastern province

### Phone

+966509890292

### E-mail

[alialsabah1995@gmail.com](mailto:alialsabah1995@gmail.com)

### LinkedIn

[www.linkedin.com/in/ali-alsabah-427842213](https://www.linkedin.com/in/ali-alsabah-427842213)

### Skills

- Teamwork
- Organization skills
- Time Management
- Flexibility
- Communication skills
- Microsoft Office
- Adaptation of the working environment

### Language

Arabic

(Native language)

English

(Professional working proficiency)

### Membership

- Society of Chemical Industry.
- Coaching Professional Qualification Ltd.

### Reference

available on request

## Objective

I am a chemist. I am Seeking a position to harness my knowledge, experience, and skills to participate in developing your company as well as contributing to the team effort to achieve the desired efficiency and effectiveness, to be a productive and successful player in the team to achieve organizational goals.

## Education

Bachelor of Science: Chemistry, GPA (4.16/5).

King Faisal University (2017-2021).

## Experience

### Saudi Aramco Company

#### COOP internship (January- march 2021) C2C unit div R&D.

- Preparing catalyst.
- Separation of oil components.
- BET data processing and analysis.
- Textural structure testing with BET.
- Sample analysis with XRD and XRF.
- Demulsifier Screening test (Bottle test).
- Meso zeolite beta & Y synthesis samples.
- Lap inventory management and housekeeping.

### Human Resources Development Fund - HRDF – KSA

#### student intern (LinkedIn Learning) (Doroob) (April-July 2021)

- Managing safety.
- Strategic Planning Foundations.
- Microsoft Project 2016 Essential Training.
- Academic Research Foundations: Quantitative.
- Understanding Personal Protective Equipment (PPE).
- Cert Prep: Excel, Word 2016 Microsoft Office Specialist.

### STTC Training company (part time) (Collaborative coach) (September-president 2021)

- Teaching and preparing a practical and theoretical chemistry curriculum.

## Courses & Licenses & certifications

---

- **Structure of matter: atoms, molecules, nanomaterials** (Saint Petersburg State University) (Coursera).
- **Become A Master in HPLC Technique - (Liquid Chromatography)** (1.5 hours) (Udemy).
- **Introduction to Molecular Spectroscopy** (University of Manchester) (Coursera).
- **Organic Chemistry: Spectroscopy Master Class** (8.5 hours) (Udemy).
- **Advanced Structure and Bonding in Chemistry** (6.5 hours) (Udemy).
- **AP Chemistry Course – Test Preparation** (11 hours) (Udemy).
- **Inorganic chemistry by AD** (30 hours) (Udemy).
- **CBSE Class X Chemistry** (25 hours) (Udemy).
- **ISO 14001: 2015 Environmental Management Systems** (The Knights of Safety Academy & The International Association for Chemical Safety).
- **ISO 17025: 2017 General requirements for the competence of testing and calibration laboratories** (8 hours) (SASO Training Center).
- **ISO 90001: 2015 Quality Management Systems — Requirements** (12 hours) (TVTC).
- **Six Sigma yellow belt** (University System of Georgia) (Coursera).
- **Calculus** (Edraak) (8 hours).
- **IT in the Workplace - Master Microsoft Office** (Human Resources Development Fund - HRDF – KSA) (50 hours) (Doroob).
- **Introduction to Chemistry: Structures and Solution** (Duke University) (Coursera).
- **High school chemistry (Jordanian Ministry of Education)** (Edraak) (2 hours).
- **Acids, Bases and Salts, Qualitative Analysis, Metals** (4 hours) (Udemy).
- **Introduction to Chemistry: Reactions and Ratios** (Duke University) (Coursera).
- **Organic Chemistry I - Complete Master Class** (12 hours) (Udemy).
- **Chemical Bonding and Molecular Structure** (3 hours) (Udemy).
- **General Chemistry- States of matter** (32 minutes) (Udemy).
- **Petroleum Refinery: Simplified** (4.5 hours) (Udemy).
- **GCSE Chemistry AQA C1** (2 hours) (Udemy).
- **Atomic Structure** (3.5 hours) (Udemy).
- **General Industry Safety and Health & Occupational Safety and Health Supervisor** (66 hours) (OSHAcademy) (TVTC) (Excellence vision).
- **First aid** (8 hours) (King Faisal University & Saudi Red Crescent Authority & Edraak).
- **The safety data sheet awareness** (The Knights of Safety Academy & The International Association for Chemical safety).
- **COSHH Awareness** (The Knights of Safety Academy & The International Association for Chemical Safety).
