

Dear Sir:

- ❖ Kindly accept my resume as an expression of interest in exploring employment opportunities within your esteemed organization.
- ❖ I have multiple experiences (17Years) in design, construction, managing, material supplier, supervision, and maintenance at well prestigious projects as Landscape (Softscape, Hardscape& Irrigation system).
- ❖ I worked at six large projects four of them in LIBYA, one in SAUDIA ARABIA, and one in JORDAN, two of them supervision, two of them as a site engineer, one as a subcontract and material supplier, one as the main contractor, and one of them as a Landscape Maintenance Manager.

1. **Landscape Maintenance Manager In "Saraya Aqaba" Project In Jordan / Aqaba, With Mab Facilities Management, L.L.C.**
2. **Site Engineer In "Saraya Aqaba" Project In Jordan / Aqaba, With Trans Jordan Agriculture Solution.**
3. **Consultant Engineer In "Najran Municipality / Ksa", With "Expertise House For Engineering And Consulting" Riyadh / Saudi Arabia.**
4. **Main Contractor In " Zarubezh Stroy Technology _ Russian Railways "In Ras Lanouf Port / Libya.**
5. **Subcontractor And Material Supplier In "Turkish Simbol Construction Co." (One Of The Largest Turkish Company Work Inside Libya Before Crisis) In Surt, Benghazi, Tripoli / Libya.**
6. **Site Engineer In "Eren Libya Construction Co." Turkish Libyan Co.**
7. **Consultant Engineer In "Spectrum Consulting Engineers" In Surt / Libya.**

- ❖ During my work, I'm well respected in my profession as an outstanding, hardworking individual who can be counted to "**Get the Job done**". Even my resume is comprehensive; it cannot fully demonstrate my way of thinking, intelligence, personality which can be demonstrated in a face-to-face meeting.

I would welcome an interviewing opportunity at your earliest convenience.

Sincerely

AJAJ EZOLI
