

Belal Yasser A Alkhalifah

Dammam, Saudi Arabia
E-mail: belal.y@outlook.com
Nationality: Saudi

Mobile: +966552257127
DOB: October.30.1995
Status: single

ID:746915

Objectives

Seeking a challenging **career** opportunity in a leading organization to acquire the essential job experience and develop my skills in the field of Mechanical Engineering.

Education

- Bachelor's Degree of **Mechanical Engineering** (January 2021)
- Jubail University College (**JUC**)
- GPA: 2.97 / 4.00
- Reward with honor in Second Semester 2019 / 2020 (402)

Experience

- **Mechanical Engineer** at **FEMCO** (April 2021 – present) 
- ❖ Mechanical Field Engineer in Distract Cooling Plant project for RC in Jubail
 - HVAC water chiller system.
 - Following the Royal Commission approved standers for this project.
 - AutoCAD designing for the AS-BUILT submissions.
- **Coop Training Program** at **NESR** (August 2020 – February 2021) 
Working as Field Engineer with the Coiled Tubing department. Fully understanding of:
 - Coiled tubing units
 - Fluid pumping units
 - Converting nitrogen pumping units

Academic Projects

- Senior design project of a Pneumatic Sheet Metal Cutting Machine for Aluminum.
- Calculating and theoretical designing for a 1 MW wind turbine
- Calculating and theoretical designing for a punch machine

Courses

- HVAC optimization in Pumping Schemes (Jun 14, 2021) from (GRUNDFOS)
- Basic motor theory (Jun 25, 2020) from (GRUNDFOS)
- Retrofit: Energy Check and Assessment of pumps (July 9, 2020) from (GRUNDFOS)

Skills

- **Software Skills:** Auto CAD, SoiledWorks , MATLAB , C++ language , Microsoft Office .
- **Personal skills :** Teamwork, Fast learner , Leadership skills , Communication

Languages:

- **English (fluent)**
- **Arabic (Native)**
