Dubai, UAE.

Career Objective

To achieve professional experience in my career and to contribute towards the Pest Control and landscape development in the region. Consistently work to the highest professional standards and thrive when working as part of a cohesive team to deliver projects that yield multiple business benefits.

Academic Qualifications

Qualification	University / Board	Result %age	Year
Ph.D. Agricultural Entomology & Pest Control	Northwest Agriculture and Forestry University, Yangling, China	-	2018
M. Sc (Hons) Agricultural Entomology	University of Agriculture, Faisalabad, Pakistan	80	2011
B. Sc (Hons) Agricultural Entomology	University of Sargodha, Sargodha, Pakistan	73	2009

Total Work/Research Experience in Agriculture: +08 Years

- **Senior Researcher**, College of Life Science, Leshan Normal University, Leshan, China (July 2019–January 2022)
- **Research Assistant/Young Foreign Expert**, College of Life Sciences, Nankai University, Tianjin, China (November 2018–July 2019)
- **Area Leader (Urban Pest Control and landscaping)** in Kanzo AG Pakistan pvt Limited (November 2011–August 2015)
- 4 months training in Ali Akbar pvt Limited
- 1 year National Internship Program

Methodological experiences/ Research Interests and Skills

- PhD in agriculture with major in Agricultural Entomology and Pest Control
- Experienced about all aspects of Urban and Agricultural Pest control, in addition equipped with Fumigation, General Pest control and Termite Control
- I possess sound knowledge of the subject and practical exposure regarding pest control from starting of project till mobilization, project Continuity and closure.
- I have sufficient experience in manpower and office management.

- Diploma in AutoCAD in 2D and 3D, having basic command in making Map and understanding the complexities in Civil and landscape work.
- Basic molecular biological methods, DNA-barcoding
- Collection, classification, phylogeny, phylogeography, comparative morphology, and descriptive taxonomy of Homoptera & Heteroptera (Insecta: Hemiptera)
- Taxonomy of Stored Grain Mites; Insect Vector-Virus Interactions
- MS-Office, AutoCAD, MEGA-7, Teaching

National Trainings

- One day Work shop on Tunnel Farming.
- One Day Training on Conservation Agriculture Technology under AIP, Project, CIMMYT office, Pakistan.
- Three days International symposium on “Strategies for overcoming food security problems through utilization of rain-fed areas” at University of Sargodha, Pakistan on 26-28 March 2014.
- Two day workshop on 2nd Roshan watan agri expo and conference organized by Evolution event management and TV production, in Collaboration with Department of Horticulture, University of Sargodha on 21-22 January 2014.

International Conferences/workshops

- 3rd International Conference on Applied Zoology (ICAZ-2020), December 7-8, 2020.
- Fourth International Conference on Biosciences (ICBS-2021), June 2021.
- Workshop on Phylogeny and Systematics of Cicadellidae, Northwest Agriculture and Forestry University, China, October 10-11, 2019.
- The 2nd International workshop of IOBC-APRS- Predatory Mites as Biological Control Agents by Southwest University, Chongqing, China, October 16-19, 2019.

Academic Awards

- **USAID Merit and Need Based Scholarship** (120,000 PKR) granted by USAID, Pakistan for excellent academic achievements during M.Sc (Hons) Agriculture (2009-2011)
- **Chinese Academy of Science- Chinese Government Scholarship** Sep 2015- Jun 2018 (Northwest A&F University, China (西北农林科技大学))
- Awarded as **Excellence Doctoral Dissertation** in the Department of Plant Protection, North West Agriculture and Forestry University, China
- **Excellent Research Publications Reward** from Professor Zhang Yalin (College of Plant Protection), Northwest Agriculture and Forestry University, China for excellent research achievements during PhD studies (2015-2018)

Research Funding Utilized

- National Natural Science Foundation (31420103911, 31093430)

- The Ministry of Science and Technology of China (2005DKA21402, 2015FY210300)
- key scientific research project of university-level discipline construction of Leshan Normal University (LZD029)

Reviewer for International Journals

- Pure and Applied Biology; The Journal of Animal and Plant Sciences; Pakistan Journal of Agricultural Sciences; Acta Tropica; Zootaxa; Sarhad Journal of Agriculture; Bulletin of Insectology; Biologia
