Ref: EBIN ELDHOES

ASRY SAFETY & FIRE DEPARTMENT

To Whom It May Concern:

I would like to introduce Mr. Ebin Eldhoes, who was employed at Siyana Industrials as a Safety Officer reporting to the ASRY HSE Division from December 2017.

He performed his duties onboard VLCC, ULCC & Rigs in the Yard during repairs and was involved in various kinds of activities related to Covid-19 Awareness and other Security drills with external Authorities.

He conducts his work in a professional manner and constantly displayed dedication and competence in the performance of his duties, he has the ability to effectively communicate and interpersonal skills that allow him to identify the most effective method, or style to not only get the full cooperation and commitment from individuals or groups, but more importantly the ability to get them to willingly comply to his instructions.

I would therefore recommend Mr. Ebin Eldhoes to any future employer or other organizations as a totally reliable and hardworking Safety Officer who has the capacity to extend his abilities even further.

EBIN ELDHOSE

ASRY EMP : 35046

HSE Officer

Asry Shipyard, Bahrain

To Whom It May Concern,

I have had the opportunity to work with Ebin in the shipyard since June 2018. The oil rig has been in the ship yard for a reactivation SOW to get ready to go back to work and Ebin has been the designated Asry lead safety officer for the Exl 1 to manage the safety of the shipyard contractors during the rigs reactivation.

Ebin starts each day leading the pre-job safety meeting with all asry contractors working on our facility informing them of proper safe work practices, promoting the stop work authority and informing all personnel of any potential new hazards for today. I see during my round Ebin controlling and coordinating the different trades so they maintain a safe work site which helps improve overall safety on our facility. Ebin has no problem bringing issues forward and promotes open discussions which helps resolve any issue in a timely manner. Ebin has been a positive contribution to our safety culture on the rig and is a valued member of the team.

If you have any questions regarding Ebin please send e-mail to.
