Subject: Letter of Appreciation

Dear Mr. Irfan,

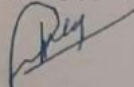

I would personally like to utilize this opportunity to appreciate your diligence and perpetual focus to enhance the safety standard to the project through your organization that could eventually give the fruitful result to the project.

As an HSE Officer, your dedication, desire to experiment innovative ideas, out of the box thinking, problem solving skill and personal involvement & determination in day-to-day business were remarkable & exceptional. It will not be an exaggeration if I say that you could well manage the safety within your area of responsibility with minimal guidance & assistance. We are very much grateful to have you as a member of our HSE family in this project.

On behalf of the site management, I have no hesitation to say that you have demonstrated the capabilities to handle crucial situations efficiently & safely and you would be a reliable employee in any organization.

Keep the same spirit and attitude in all future endeavours and wish you all the successful career ahead.

Thanking you,

TR Padmakumar
