Doha, qater

My name is sami ullah I have more than 6 years of experience in health and safety, and I am motivated to join an organization where I can contribute my unique skills and grow as a health and safety professional.

During my previous role at Hashim company, I was responsible for developing and implementing health and safety policies and procedures. I also conducted safety audits, investigated accidents, and safety training programs. I have a proven track record of improving safety performance in organizations through my comprehensive and proactive approach to health and safety.

my previous job experience background has been instrumental in my ability to develop safety policies and procedures that are practical and achievable . I am confident that I have the skills and experience that you are looking for, and I am eager to put my abilities to work for your company.

As you can see from my resume, I have more than 6 years of experience in the safety management. I have a strong understanding of the laws and regulations governing health and safety, and I have a proven track record of implementing safety protocols that protect employees and minimize risk. I am also an effective communicator in safety toolbox talks and induction training .i have the ability to manage and motivate teams.

Thank you for your time and consideration.

Sincerely

Sami Ullah Khan
