Process Performed:

EVALUATION OF INTERNAL RMC BATCH PLANT LABORATORY TECHNICIAN FOR AL SHALAWI BP# 1 LOCATED IN 2nd INDUSTRIAL, DAMMAM/ AL SHALAWI HOLDING

As requested by the responsible SAPMT & APIU we evaluated the 12 pages submittals for the proposed new Internal Asphalt Batch Plant Lab Technician and associated documented information.

Our evaluation findings below:

Ref	Name	Requested Job Task Position	Evaluation findings	Recommendations
540	Shakeel Ahmed	Internal RMC Laboratory Technician	Competent	Approved

Recommendations:

1. Base on the results on examination and evaluation, the proposed new Internal Batch Plant Lab Technician is **Approved** for ready mix concrete batch plant specific project only.
2. This approval does not cover the job task outside the Ready Mix Concrete Batch Plant Quality control of the project, and as contractor shall be evaluated and approved by Area Project Inspection Unit as stated in Schedule Q (BI 28-10011) of the project.
3. Changes on the Manufacturers organizational chart for Concrete batch plant shall be updated and resubmitted to ID.ISSD.BP&CTU for evaluation and approval.
4. Absence due to annual vacation or emergency purposes of the approved internal BP Lab Technician shall be notified in writing 30 days in advance or 24 hours respectively to the Unit Supervisor of ID.ISSD.BP&CTU.

Please inform SAPMT.

Should you have any questions, please contact Remegio A. Abalos Jr at +966-13-880-1497 or email to REMEGIOJR.ABALOS@ARAMCO.COM
