Dear Sir

I am a business professional with a proven track record in strategic sales, product management and business development with a focus on manufacturing, supplying and selling products.

I am seeking a challenging job with you and charting a path of mutual growth.

As my Cv demonstrates, I have developed an insight into business, customer service and industry nitty gritty and sales. This has enabled me to contribute on very tangible monetary terms to the bottom line financial profits of my current and former employers. What deserves to be highlighted is my competence in running a profitable business.

My skills include excellent selling skills, strategic planning, maintaining effective working relationships with commercial clients, proactive approach and teamwork as well as enthusiasm and passion for results. I also possess an outstanding customer centric mindset along with excellent leadership skills which give me a unique advantage by which to add value to your business.

My ability to perform well under pressure and a commitment to quality are skills that I can immediately apply to contribute to the success of your esteemed company, and have made me a valuable member of the team.

My attached resume details my experience. I look forward to the opportunity to meet you and explore possible opportunities with you

Regards,

Mohammed Fawaz Ghadri
