I have worked as a supervisor for Mr. *Ammar Saeed Mohammed Moohialdin* during his working period from 2012 to 2013 as Operating & Planning Engineer in HAYEL SAEED ANAM & CO.-YEMEN REGION - Technical Auditing Department , Yemen. He has excelled in this role and maintained one of the highest levels of productivity for an assistant during his working tenure with the company, and he produces a high volume of work while maintaining high standards for quality and accuracy. In addition he possesses the ultimate "can do" attitude while taking on all tasks with a positive energy and a smile. His upbeat personality and engaging personal style enables him to interact effectively with working variables, problems and staff.

Mr. Ammar is very well organized and keeps track of the details necessary to coordinate events of this kind and does an efficient work in the study of the new National Dairy & Food Company (NADFOOD) project ,in Hodeida city, which involves (Facility Planning – Facility Layout - Production Power – Storage).

He takes initiative to go beyond the expected parameters of his job. All the intangibles that lead to success in the workplace are in order with working team. Being Mr. *Ammar's* supervisor on his job and based on his previous performance I'm confident that he will perform well if he is granted a chance to show his abilities.

I volunteered to write this recommendation for Mr. *Ammar* because I am very grateful for his contributions to our office and very confident that he has the intelligence, work ethic and communications skills to add value wherever he works.

Therefore, I strongly and highly recommend Mr. Ammar due to his performance as IMSE Engineer. I wish him all the best and success in his career future. If you would like to discuss this further information, please don't hesitate to contact me.
